HOME SIMPLE GOODS + DESIGN, FREDERICKSBURG

Christina Lincoln and her partner Wendi Ryland are excited to share their latest venture, Home Simple Goods + Design! Their 20-plus years of experience in interior design has taken them on quite the journey. They learned quickly that they share a burning love for all things home design and enjoy working together so much that they decided to form a partnership, which took them to the beautiful Texas Hill Country. They specialize in fresh, modern furnishings with a mix of new and vintage pieces, and they're so happy to announce they're opening a brick and mortar in Fredericksburg. They are now accepting appointments for consultations, in person or by phone and email.
